Palm Sunday: In this scene of great tragedy, there are people helping others, either reluctantly or with compassion: Simon, the women of Jerusalem, the criminal on the cross, and Jesus himself. Note the differences in the manner in which the help given (as a burden, with sympathy, etc). What has been your experience of helping and being helped?

Despite the persecution by the leaders Jesus still shows forgiveness. When have you seen that spirit of forgiveness in yourself or in others? In your experience what is the effect of a forgiving spirit ... or the absence of that spirit?
