ARIGNA-REA update on community development: The committee met with council officials last week to finalise the upgrading works that will be done to enhance the appearance of the centre of our village. These works are currently up on eTenders. The process to select the successful applicant will take a number of weeks to complete. Once the contract is signed we will be in a position to share dates regarding start and estimated finish. The development of the pitch is also at eTender stage, but will be a longer process than the upgrading works in the village centre. Current estimate is pitch works will begin in Q3 of this year with completion in first half of 2024. As more details become available we will keep you posted.

Saint Patrick's Breastplate

Christ with me, Christ before me,
Christ behind me, Christ within me,

Christ below me, Christ above me,
Christ on my right hand, Christ on my left hand,

Christ in my sleeping, Christ in my waking,
Christ in the heart of all who think of me,
Christ in the mouth of all who speak of me,
Christ in every eye that looks at me,
Christ in every ear that listens to me.
